

On behalf of the Staff at Tournkey and the Daytona Beach Sunshine Classic, we would officially like to welcome all of the players, coaches, managers, parents, and boosters of the participating teams. We are delighted you have all decided to travel to Daytona Beach to enjoy the Sunshine Classic.

We would not be able to do what we do without great people around us. We want to thank all of the teams for participating this year and welcome back teams returning.

First off, we would like to thank our hosts for their loyal support. Specifically, the staff and leadership of Seabreeze and Atlantic who have graciously provided facilities for many years allowing us to bring our event back year after year. We would not be able to showcase all of the incredible talents in both the Boys & Girls Division: without their support.

Thanks to Norm Yelverton, our Tournament Director, for all of your time, energy, and dedication that helps to make the Sunshine Classic a success each year. Please take a moment to thank Norm for all of his hard work and behind-the-scenes effort.

As the event enters its 33rd year we reflect on the great support from the community and all of our local partners:

Hilton Daytona Beach Oceanfront Resort  
Universal Studios & Islands of Adventure Orlando  
T-Shirt Madness Express  
Giuseppe's Steel City Pizza and Family Restaurant  
Bubba Gumps

We are excited to have returning teams join us again this year and we hope that our new friends joining us for the first time this year will return to compete again in the years to come. Our tournament staff and officials wish the best of luck to the participants in the 33rd Annual Daytona Beach Sunshine Classic Tournament.

Please enjoy your stay in Daytona Beach!

Sincerely,

*Tyler Childs*

Welcome to Seabreeze High School! This year represents the 33<sup>rd</sup> Daytona Beach Sunshine Classic basketball tournament sponsored by Tournkey. Over the years, we have had many exciting boys' and girls' teams represented. The Sunshine Classic has showcased teams for 16 states, Canada, Bahamas, and Puerto Rico. We will have the opportunity to see some of the top male and female basketball players across the nation play in the Seabreeze, Joe Nelson, Sandcrab Gymnasium.

I hope the stay in the Daytona Beach and Ormond Beach area is enjoyable as you visit the World's Most Famous Beach during this winter season. In the previous years, we have had great weather for our visiting teams and fans from out of state. Not only do you get to enjoy some very competitive basketball in the area, but you also get much-needed relief from the cold weather up north.

Thanks to Tyler Childs, President and CEO of Tournkey, for partnering with Seabreeze High School as we host the 33<sup>rd</sup> annual Daytona Beach Sunshine Classic. Good luck to all the teams!
